"Nothing great was ever achieved without enthusiasm" (Ralph Waldo Emerson)

Please Note: I am currently on detail to the EPA Region 10 office in Portland, Oregon until July 23, 2016. Thank you!

Your Comments: I am appalled at the weakness of the proposed cleanup. The polluters should pay, not the taxpayers. The river should be cleaned up by dredging, in short time, not expecting the river to cleanse itself over a long time. Monitoring for toxics is inadequate. The dredge spoils should not be stored within the River. This makes a joke of the Clean Water Act.
